```

Debugger entered via keyboard.

```
>0> this is Mark , are you looking at this machine? YES
Too many parameters; excess truncated
032-001 You entered a command "this" that is not valid.
>0> don't bother, it is running DELETEDmb DELETED, it is not a valid config
Too many parameters; excess truncated
032-001 You entered a command "don't" that is not valid.
>0> I need this crash anyway to debug an outo-screening "bot" , let me keep it 5 or 10 Too many
parameters; excess truncated
032-001 You entered a command "I" that is not valid.
>0> minutes PLEASE ?????? -daco
032-001 You entered a command "minutes" that is not valid.
>0> ok Want me to reboot (as I saw you doing) when I'm done? yea
```
